Some CLARK Forklift Truck Manuals & Brochures PDF are above the page. Clark, which was founded in 1903, began its history as a manufacturer of spare parts for automobiles. This continued until 1917, when the company invented the world's first industrial loader, thereby setting the standard for a modern prototype. Since then, for more than 80 years, the company has been a technological ...

Clark was not pleased about its lack of control in the joint venture and threatened to take public its share of the venture. In response, Volvo has bought back Clarks existing shares for \$573 million and gave an official end to Clark's forty year involvement in the wheel loader business. Shortly after that, Clark was approached with another offer ...
