Nelson George (Author of Hip Hop America)

Nelson George, one of America's leading writers on what he calls "post-soul," examines the national scene in Hip Hop America. The book is not a consumer guide, nor is it exactly a history, but it will enlighten those trying to make sense of not just hip hop music, but modern African-American culture.

Hip Hop America by Nelson George - OffBeat Magazine

Veteran journalist George (Blackface, 1994, etc.) expands this view of hip-hop far beyond artists and discs; he looks also at such related phenomena as graffiti, cinema, and commercial culture. The author eyes the business behind music, especially the shift from traditionally white management of record companies to increasing black leadership.
