Cr250r 2 Stroke Manual - wsntech.net

What I love about the 2000 CR250R is how the pro mx-a test riders loved it. They said it won all the hole shots. The YZ took first place that year. I had the 2000 YZ too and liked the smooth broad power band but the 2000 CR just rips once you have some momentum. It has so much more than I can personally handle.
