Engine Knocking | Nissan Titan Forum

The best way to determine why the check engine light in your Nissan came on is to stop by an authorized service center. However, if it's a steady, unblinking light, we do recommend checking the gas cap--especially if you've just filled up. A loose gas cap can cause the check engine light to turn on, as will a gas cap with a crack in it.

5 Things to Know About Your Nissan Check Engine Light in ...
