The Sorcerers Crossing A Womans

While traveling in Mexico, Abelar became involved with a group of sorcerers and began a rigorous physical and mental training process designed to enable her to breach the limits of ordinary perception. The Sorcerers Crossing details that process, giving us a highly practical sense of the responsibilities and perils that face a woman sorcerer. Abelar's enthralling story is invaluable as a virtual "sorcerers manual", as anthropology, and as a provocative work of women's spirituality.
